Parkland High School

Orefield, Pennsylvania

FOREWORD

Our school is the physical plant wherein we were educated. A record of the education the class of 1962 received, if it is to be complete, can and should begin with a look at the plant. But this is only a start. Education is rounded, men and women are made by many things. Teachers, administration, maintenance, fellow students, sports, other activities, and many other things are part of this picture. The 1962 PAR-KEY is the record to the Class of 1962. It is also the chronicle of the 1961-62 school year.

DEDICATION

The class of 1962, in selecting Mr. Johnson for the dedication, is recognizing the key role the faculty plays in their education. Mr. Johnson is singularly suited for the dedication of the book of this class. He has been one of their advisors since seventh grade. Beyond this obvious reason are many. Mr. Johnson has effected the growth and development of virtually every member of the class of 1962. His fine example is not only worthy of the dedication of this book, but an ideal for the young men and women he has helped mold.

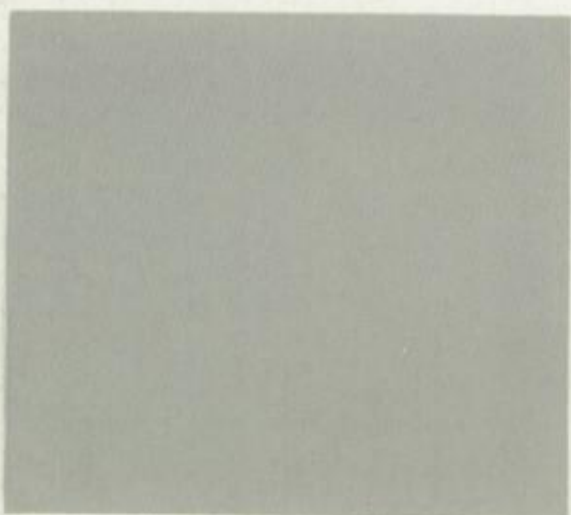

IN APPRECIATION

We are all proud of the wonderful educational plant that has been such a major factor in our growth. Truly the unsung heroes are the people who keep our school a beautiful place in which we learn. ATHLETIC DIRECTOR

Mr. Gerner is one of Parkland's strongest supporters. Besides being a P.D. and sociology teacher, he also serves as Parkland's Athletic Director. His duties vary from arranging sports schedules to conducting pep rallies. He is certainly one of the most important figures in Parkland's sports program.

COACHES

Mr. Eichnor, known for conducting riotous history classes and for performing disappearing acts during activity periods, has been the head football coach for the past two years. He is assisted by two capable men: Mr. Lohman, a graduate of Kutztown State Teacher's College, who has been coaching for the past three years; and Mr. Eckensberger, who teaches physics to the juniors. When he was asked how long he had coached football, his reply was, "Too long"; but he is optimistic about next year's team.

Leading the Boys' Varsity Basketball Team to a second place this year was Mr. Wilson. In past years he has developed some of the finest and most respected teams in the league. Mr. Ettinger, who coached the Junior Varsity to an outstanding record; and Mr. Miller, who first begins preparation of boys for future varsity teams, both help Mr. Wilson in making basketball a successful sport at Parkland.

Despite this being Miss Birosik's first year as coach, she led the Girls' Varsity Basketball Team to a successful season. Her interesting and modern techniques proved to be quite effective. Miss Birosik has been teaching at Parkland for three years; and because of the informal manner in which she conducts her classes, she has become very popular with the girls. She also has charge of intramural basketball and hockey. Thanks go to Miss Birosik — not only as a teacher and coach, but also a friend.

Although this is only Mr. Collin's second year at Parkland, he has done a wonderful job as coach of the swimming team. He has taught the boys both speed and style which is most important for a successful team. Mr. Collins is assisted by Mr. Chase.

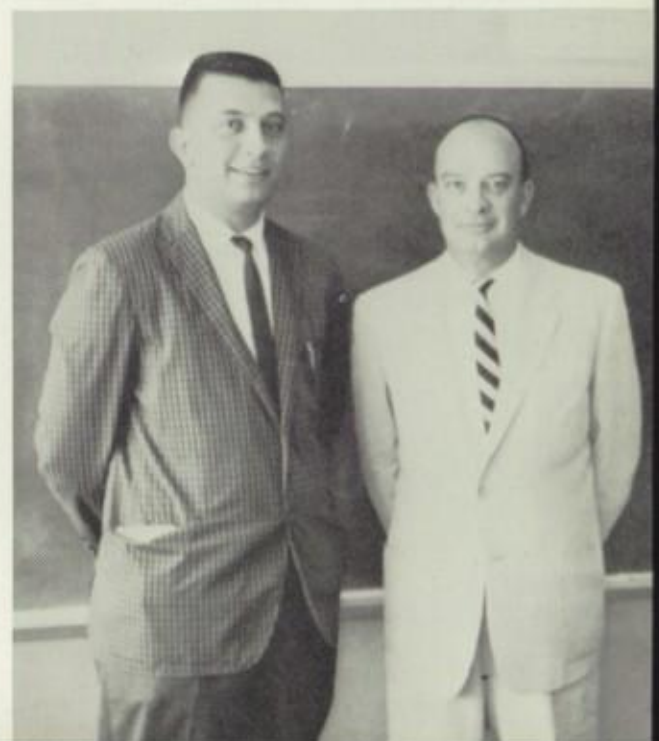

As coach of the wrestling team, Mr. Young has done a fine job. He has taught the boys various holds and positions which are truly needed by a wrestler. Mr. Young is assisted by Mr. Kidd and Mr. Gougher.

Once again Mr. Wilson is kept busy as a coach. Every spring he organizes the Varsity Baseball team and prepares the boys for another competitive season in the Lehigh-Northampton League. Assisting Mr. Wilson are Mr. James Liddicoat, a Parkland favorite; and Mr. Woodrow Helfrich, a Parkland graduate who starts training boys in Junior High School for future baseball teams.

Rounding out Parkland's sports program is track. Mr. Eichnor, head coach of the track team, and Mr. Lohman, who also assists him in football, both do their best to uphold the tradition of fine teams Parkland has been known to produce in the past.

Ample credit for fine achievement in the backfield belongs to W. Glasenapp (31).

BOTTOM ROW: L. to R., D. Masonheimer, B. Hoppes, L. Snyder, G. Deschler, L. Lock, L. Best, D. Schneck, G. Field, E. Mutchler, B. Moser, Coach Eichnor. *SECOND ROW:* S. Coutley, M. Wallace, K. Santa, A. Hilbert, B. Rauch, L. Kalna, R. Moyer, K. Muth, B.

In the rebuilding process, the Parkland High School football team opened its ninth season on August 17. Under the coaching facilities of head coach George Eichnor and assistants Ralph Eckensberger, William Lohman, Edward Chase and Frank Reed, the Trojan roster consisted of many underclassmen.

Although losing more than half of the starting team through graduation in 1962, the Parkland eleven will not begin the 1962 season unexperienced as younger members saw considerable action.

Plagued with injuries, the Red and Gray Wave lost valuable back Tom Wolfe when he broke his wrist in the Slatington game. Starting tackle Bob Schwartz encountered similar misfortune, breaking his arm early in the season.

With a great devotion to the game, the underclassmen who will return to the grid iron next August may represent successful football years at PHS.

FOOT

Due to broken arms, T. Wolfe and B. Schwartz ended their season early.

Without M. Wallace (48) and R. Hoppes (23) the backfield could not have performed successfully.

BASKETBALL

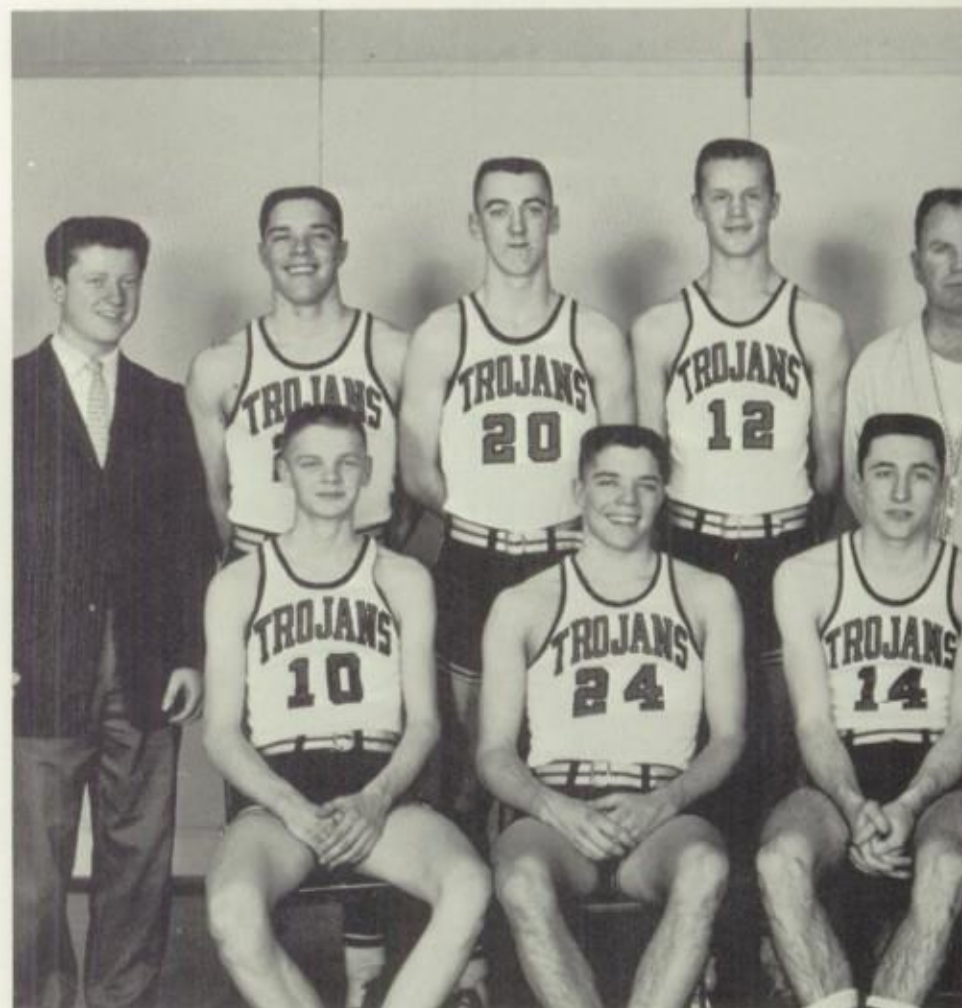

With the institution of a league division, the Parkland High Trojans secured a strong second place in the Southern Division of the Lehigh-Northampton Basketball league for the 1961-62 season. Paced by returning lettermen from the 1961-62 championship team, boardman Tom Kern and backcourt Phil Stanley. The Red and Gray ended the season with a 12-8 log. Dick Muller and Doug Patt completed the senior contribution to the starting "six." Returning next year will be lettermen Doug Huber, Tim Dauscher, Len Zimmerman, and Ron Mohr.

During the winter when many of us spend our time after school loafing, a hardy group of boys remained to build themselves up to par to produce an excellent swimming team.

Under the watchful eye of Mr. Collins, they learned all the fundamentals of being a "champion" swimmer. Even though swimming is a comparatively new sport at PHS, the boys compiled a record of six wins and three losses.

Through graduation, the team loses five lettermen: F. Deutsch, J. Steacy, B. Walbert, W. Glasenapp, B. Smith.

We can safely place our confidence in the underclassmen to produce a duplicate team.

Competing for the second year in the Lehigh Valley Interscholastic Wrestling League, the Parkland Grapplers compiled a 2-11 record for the 1961-62 season. Faced with a rebuilding problem, coaches Bill Young, Ralph Kidd and Ronald Gougher worked with many young boys to improve their fundamentals of Wrestling. Seniors, James Nederostek (54) and Junior Dick Fry (98), were constant Trojan winners as numerous underclassmen are expected to boost wrestling hopes in future years.

The ever-improving Trojanettes started their seventh year of basketball under the direction of their new coach, Miss Mildred Birozik. The girls spent five days a week practicing after school to perfect their coordinated plays.

The team's record this year is eight wins and six losses. Leading the Trojanettes were Donna Albright with 208 points, Jeanette Yadush with 180 points, and Jane Pake with 170 points. Sharing the position of co-captains is Louise Hunsicker, guard; Carol Wolf, guard; and Jane Pake, forward. Although the season didn't prove as successful as was hoped, the efforts and fight which the girls showed is surely a credit to the team. Since only four seniors will be lost, next year's team should prove to be highly successful.

Jane Dreisbach's lay-up shot kept Parkland's Trojanettes on top.

High jumping added spark to the victory over Slatington.

The future of Parkland's baseball team looks good. After having lettermen return this year, we might as well consider ourself for candidates for the league championship.

Filling the position of pitcher and catcher are Doug Patt and Don Patt respectively. Also, Tom Schock and Charles Bennighoff have helped.

Running the infield we have Ronnie Mohr, first baseman, Roger Mohr at second, Dick Laudenslager as short-stop and Greg Loomis stationed at third base.

In the outfield there is Dick Muller, in left field, and Gil Keller in center. Running in the right field is Tom Bowman.

The success of a championship team will be left to the underclassmen.

The intramural program began in early fall and ended in late spring.

The activities in the fall were girls hockey and boys soccer.

During the mid winter months, there was girls basketball and boys basketball, under the direction of Miss Mildred Birosik and Mr. Donald Kistler, respectively.

The intramural program came to a close with boys baseball, supervised by Mr. Ralph Kidd and Mr. William Randall.

Under the direction of Miss Mildred Birosik, a new sport was started.

An archery tournament comprised of the best shooters of senior high's gym classes took place.

After a successful hockey season, the pros take time out for a picture.

The 1962 track and field team had a good season this year. This was indicated by the 1961 season when the team was undefeated in dual meets, but took a second in the Lehigh Northampton League meet. The team was especially strong in the running events. Bill Glasenapp ran the 100, 220 and 490 yard dashes. Phil Stanley competed in the mile and 880 yard events. Other strong competitors were Art Spitko and Raul Miguens in the 100 and 220. In the field events the team was relatively young and inexperienced, but showed great promise for future seasons. The only three returning senior lettermen were Tom Kern, High Jump; Art Schneck, Pole vault; and Ronald Bealer, shot put. There were only two other seniors in this category. They were Dennis TerHaar, discus and javelin; and Jim Nederosteck, pole vault. Looking over the whole season, Coach George Eichnor's trackmen had a very satisfactory season.

JUNIOR PLAY

The Junior Play was an ambitious undertaking. BRIGADOON required such extensive preparation it can be said to have brought Scotland to Parkland. It was staged and directed by Miss Evans who was assisted by Mr. Diehl, Mrs. Jones, and Mr. Hauseman.

The delightful Lerner-Lowe musical proved worth all the effort and was one of the finest productions in the school history.

SENIOR PLAY

As present day television reveals, the courtroom is a fine local for high drama. Mrs. Sterner's sensitively directed production of **THE NIGHT OF JANUARY 16TH** proved this and showed audiences a show of real dramatic merit can be well done by a high school senior class.

The show contained a very interesting device which allows the audience to judge the case. A jury was selected from the audience before each trial concerned with the **NIGHT OF JANUARY 16TH**.

STUDENT COUNCIL

FIRST ROW, L. to R. — M. Kelly, B. Kraipovich, B. Schwitzer, C. Kemmerer, B. Freeland — SECOND ROW — J. Kalna, P. Hetman, M. Hujsa, J. Horlacker.

As the student governing body at Parkland, Student Council, under the supervision of Mr. Henry Gerner and Mr. Franz Sprenger, cooperates with the administration in pursuing a useful and beneficial program for the student body. In its weekly Wednesday meeting the delegates, who as of this year, are elected in their homerooms only after first being carefully screened by the administration upon volunteering, discuss and enact proposals to solve problems dealing with school life.

FIRST ROW, L. TO R. — R. Snyder, B. Murphy, G. Carl — SECOND ROW — L. Leiby, L. Widenmyer, S. Scharfenberg, L. Ihm.

FIRST ROW, L. to R. — J. Mullet, B. Trimble, P. McKeon, M. McGovern, G. Mikylychak, R. Bartholomew, G. Richards, C. Schmoyer, D. Maletz.

One of the Student Council's major projects this year was the revision of last year's monitor system into the more successful "Student Patrol," consisting of senior boys only.

The Student Council also conducted the "Sweetheart Ball," and the "Bonfire and Dance"; distributed Christmas baskets to the needy; and sponsored the annual Talent Show and victory dances.

L. to R. — D. Everett, Mr. Gerner, S. Class, L. Thomas, R. Boyd, S. Horlacher, A. Steigerwalt, R. Miguens, G. Glasser, R. Beck, D. Ellis, S. Scharfenburg.

FIRST ROW, L. to R. — K. Hontz, D. Rauch, J. Freeland, K. Class, A. Peoples, P. Peck, E. Oswald.

Ed Heckman, business editor, and his capable assistant, Bob Beck, look over some ideas with Bruce Emig.

Under the leadership of its Editor-in-chief, Bruce Emig, the PAR-KEY got off to a fine start. There was much work to be done in order to portray all the activities of the 1961-62 school year.

The Faculty editor, Charlotte German, is being aided in her work by Pat Decker, Nancy Hilliard, Marykay Barnes, and Beverly Geibel.

Arising senior section problems are being handled by Margaret Whiting, senior editor, and her assistants, Linda Arner, Gail Glasser, Terry Fox, and Gale MacArthur.

Shirley Horwith, sports editor, is making a final check on sports items. Barbara Epand, John Steacy, Susie Harris and Louise Hunsicker offer suggestions.

— KEY

Work involving the features section is done by Susie Peters, features editor, with help from Susie Horlacher, Carol Wolfe, and Audrey Steigerwalt.

Relieving some of the burdens of the editors were the assistant editors. This position has recently been established in order to prepare future editors. We are glad to present to the Parkland student body the 1962 PAR-KEY.

The many Parkland Activities are covered by Anne Benninghoff, activities editor. Eileen Knauss, Debbie Ellis, Jim McMahan and Diana Fister offered their suggestions and help, also.

All yearbook typing was accomplished through the help of Eileen Peters, typing editor. Her assistants are Barbara Wisser, Diane Frantz, Bernice Hermany, Sharon Hook, and Sandra Wetzal. Mr. Trexler, our advisor, is giving some extra tips to the girls.

Bill Shimer and Peggy Brimmer assist Dorothy Schwartz, art editor, in compiling the other sections and in checking and making layouts for each section of the yearbook.

TRUMPET

KNEELING, L. to R. — M. Davie, L. Hunsicker, M. Trexler, C. Cassel — *SECOND ROW* — M. Brown, D. Malletz, G. Shepherd, L. Thomas, S. Steiner.

The *Trumpet*, our school newspaper, serves our school in two important ways. Its seven six-page issues keep the student body informed on all phases and forms of school activity. The *Trumpet* also allows Parkland's students sound journalistic experience under its able advisors Mrs. Carolyn Werley and Mr. Ronald Horvath. Among the contributors to the *Trumpet* are a small army of reporters, editors to funnel important learnings into the paper, and an active business staff to pay the bills. In 1961-62 the *Trumpet* has again informed Parkland students and offered them journalistic experience.

The Parkland High School Honor Society is only one chapter of a large nation-wide association. This organization has no specific duties to perform in the school or community, but serves as a formation of those students possessing high scho-lastic ability. Leadership, character, and service are also qualities demanded of each society member.

The Honor Society is composed of sophomores, juniors, and seniors, with a total membership of sixty-three. Mr. German is the advisor of this organization.

Discussing problems of Honor Society are the officers (left to right), Sarah Steiner, sec.; Jack Wetzels, pres.; Mr. German, advisor; Jim Mc-Mahan, v. pres.; and Marilyn Hunsicker, treas.

KEY CLUB

Service and leadership are the main focal points of the Parkland Key Club. Most of the activities in which the Key Club participates involve these two general areas. With regard to community service, the club has aided in several civic fund-raising campaigns during the past year, and has also been of service to the Blind Children's Association and the Cedar Brook Home. Ushering at basketball games, sponsoring the oratorical contest, and orienting the teachers at the beginning of the school term are only several of the school services performed by the Key Club. The sports programs provide the main funds for the club, and the principle expenditures are the support of a Japanese orphan and a \$250 scholarship awarded to a Parkland senior each year. This year Parkland was again one of the top five clubs in Pennsylvania, and continued its dynasty of the Lieutenant-Governorship of Division 17. The Key Club is advised by Mr. Kistler.

The club conducted their annual Easter candy sale, also this year, the club had a Christmas candy sale and a hoagie sale. Other activities of the Tri-Hi-Y were a Fashion Show and a Mother-Daughter Banquet.

STUDENT STORE

Four years ago, the Student Store was established. It is in operation daily during the four lunch periods. Under the direction of Mr. Seltzer, the business education students gain practical experience and become acquainted with the problems of the business world.

Aside from the assistance which the student store supplies for the business education students, it provides a great convenience for the other members of the student body.

Students in this Club are assigned to teachers at P.H.S., and they begin to lessen the teacher's work and responsibilities. At the same time, they further their own training in the business world.

The Business Service Club is a service club and yet it is a club for learning. The members should be congratulated on their will to learn.

One of the more active groups at Parkland is the Future Farmers of America. Active, in the sense that many projects are performed outside of school. Led by President William Van Toll, the Parkland chapter is usually busy with some type of agricultural function.

The main objects of the Future Farmers of America are leadership, responsibility, and mainly, the acquisition of better farming methods. The Parkland chapter is only a small part of a huge body, as the FFA is a nationwide organization.

This year the group went on various field trips, one to New Holland, and participated in various farm shows in which several awards were won by Parkland.

In addition, they also plan and carry out pep rallies which help to enliven the spirit of the student body.

One of the busiest organizations at Parkland is the Senior Band which is composed largely of students in the ninth through twelfth grades. Being one of the largest and most active school organizations, it is seen at many school functions such as football games, basketball games, and Halloween parades.

This year the band sent twenty-six representatives to County Band, twelve to District Band, four to District Orchestra, and four to State Band.

To conclude the year, they will present their annual Spring Concert and also a concert at Southern Lehigh under the direction of Mr. Alfred Reimschuessel. Finally, they will represent Parkland by marching in the Allentown Bicentennial Parade.

Interested Dance Band members "running" through a tune while Mr. "R." stands by.

If, for some reason, you have had occasion to be walking through the halls during the activity period, you may have heard the tones of the Senior Chorus.

Under the direction of Mr. David Diehl, the chorus has participated in several school events. Among the highlights of the season for the Senior Chorus were its assistance in the production of "Christmas In Old Lehigh," the spring concert, and several appearances in assembly programs. Our chorus was privileged to have three of its members chosen for participation in the Eastern District Chorus.

One of the best ways to gain musical experience is through the Junior Band. The members are usually in the seventh and eight grades who are interested in becoming regular members of the Senior Band.

Under the direction of Mr. Alfred Reimschissel they

present a Christmas concert in assembly and also their annual Spring concert. In fall they march in the Cetronia Halloween Parade which is good experience for all the excellent marching routines done by the Senior Band.

One of the many sessions in band room.

Under the direction of Miss Marie Steiner they appeared in the Christmas Pageant and also assembly programs. To end their activities for all year they hold their annual Spring Concert which is a good note for any ear.

AQUA

Under the able guidance director, Mrs. Carole Lipko, this year's aquacade was really an adventure in paradise."

Members of the junior routine wait for just the right note to make their entry.

Master of Ceremonies, Jim McMahan, stunned by the exhibition diving being done from the falls.

Don't look so stunned, Cindy! It won't be that bad!

CADE

Swimming to Hawaiian music, the aquamaidens and men, the divers, and the clowns provided an entertaining and delightful two hours for all who attended.

Senior girls form a star during performance.
